SUMMARY

Motivated Bachelor of Science in Information Systems graduate with practical experience in IT support, computer maintenance, network troubleshooting, and technical problem-solving. Eager to apply my knowledge and skills in a professional environment, learn new technologies, and contribute to the success of the company. A fast learner with a positive attitude, strong work ethic, and a commitment to continuous growth and improvement.

EXPERIENCE

Westhill International School

Dasmariñas City, Cavite

February 2026 – May 2026

- Fixed campus internet connections, rerouted network cables, made RJ45 wires, and repaired CCTV cameras, making sure the school stayed connected and safe with zero network downtime.
- Repaired and maintained computers and printers for teachers and classrooms, cutting down technical problems so lessons and schoolwork could run without stopping.
- Typed school data into Excel sheets and created videos using Canva, helping the staff find information faster and improving the quality of school announcements.
